

## PRODUCT SPECIFICATION

Item No.	YA-4500CR	Picture									
Input Current	DC 350mA										
Driver	HEP: LIC9W350 UNI										
LED Power(Watts)	6W										
Lamp holder	Aluminum PCB										
Light Source Brand/Code	EDISON LED 2835										
Beam Angle	110°										
Color Temperature	3000k,4000k,5000k,6500K										
Wire connection way	/										
Outgoing line [CM]	/						Line Drawing				
Finishing	WU BK										
Main Material	Aluminum										
Product Size [MM]	φ130*71										
Cut-out [MM]	/										
IP level	IP20										
Class	<input checked="" type="checkbox"/> I <input type="checkbox"/> II <input type="checkbox"/> III										
Warranty	50000Hrs										
Certificates	CE
